General Information

Overview

The unit is designed to familiarize students with the world of entrepreneurship, innovation and start-ups. It examines the nature and roles of entrepreneurship, innovation and the entrepreneur in society. You will identify the key factors for entrepreneurial success and how to evaluate these factors. You will also learn the stages that entrepreneurs go through in taking the seed of an idea through to planning for the growth of a successful business. Emphasis is placed on planning, financing, starting and managing new start-ups.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student Survey

Feedback

Perhaps for the assessment 2, providing more resources or examples for pitch

Recommendation

A guide on how to pitch the business idea should be provided/uploaded in the unit's Moodle.

Feedback from Student Survey

Feedback

The lecturer explained everything in detail about assessments

Recommendation

An updated guide, along with a recorded video, should be uploaded in Moodle, providing details on each assessment. In addition, the lecturer/s should dedicate at least five minutes in each workshop to answer students' questions related to assessment.
