Assessment Tasks

1 The Re-Cut

Assessment Type

Practical and Written Assessment

Task Description

This assessment is a basic video-editing (post-production) exercise. You are required to choose a video from the list provided on the Unit Moodle site and create a meaningful audio-visual sequence with an appropriate order and selection of shots (minimum requirement: LS/MS/CU/Specialty Shot) to tell a visual story without the use of text and produce a

climax and satisfying resolution. You will use video-editing software to Re-Cut shots from your selected video to create a new meaningful 60 second sequence (including opening titles and end credits), export it as an MP4 (H.264 Vimeo 720p) video file and upload your video to Vimeo for Peer Review. As part of this assessment you are required to conduct an online Peer Review of 3 other student draft Re-Cut submissions. Please read the full brief for this assessment and refer to the Unit materials for a breakdown of requirements.

Assessment Due Date

Week 3 Friday (29 Mar 2019) 9:00 pm AEST

2 Proof of Concept Video Pitch

Assessment Type

Practical and Written Assessment

Task Description

Assessment #2 and #3 of this unit involve the pre-production, production and post-production of a 60 second narrative fiction genre movie which responds to a specified theme. Assessment #2 is the pre-production part of this process and you are required to create a Proof of Concept Video Pitch which explains the concept and plan for your Final 60 second movie (Assessment #3), and proves that you can technically complete the production of your movie. Your Proof of Concept Video Pitch will include an industry standard 'pitch' synopsis and a visual explanation of your movie using a minimum of 3 video references to explain your chosen genre, visual style, production design and specialty shot selection (minimum requirement: LS/MS/CU/Specialty Shot). In this video you must include an audio-visual explanation of your storyboard, production breakdown and timeline, as well as the specified technical exercises. Please read the full briefs for Assessment #2 and #3 before beginning this task and refer to the Unit materials for a breakdown of requirements. As part of this assessment you are also required to conduct an online Peer Review of 3 other student draft Proof of Concept Video Pitch submissions. Please note: you or your crew must produce all audio and visual content used in your

final Assessment #3 movie. If you don't follow this mandatory requirement you will likely receive a fail grade for the final assessment.

Assessment Due Date

Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

What can you do to act with integrity?

Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
