- Refer to the table below for guiz opening and closing times.
- Each quiz will address content from a relevant chapter of the prescribed textbook (see table below for details).
- Each quiz is worth a maximum 10% towards your overall grade (i.e., 2 quizzes x 10% = 20%).
- Each guiz consists of 20 questions and is a maximum 40 minutes in duration.
- Answer format will be a combination of multiple choice and true or false.
- There are no negative marks for incorrect answers.
- These are open book quizzes, so you can have your textbook with you when doing each quiz.
- Each online quiz can only be attempted **ONCE**, so DO NOT start the quiz until you are ready to complete the entire quiz in one sitting.
- Responsibility for access, Internet Service Provider, browsers, Internet connection and the computer you use remains with the student.
- Refer system access problems (e.g., Moodle login or password issues) to the Technology and Services Assistance Centre (tasac@cqu.edu.au) as soon as possible.
- Any issues during the quiz (e.g., screen has frozen)? Email the Unit Coordinator immediately for assistance identifying the unit, your full name, student number, campus and approximate time the issue occurred. Any omissions of this required information may delay a response.
- Students are encouraged to provide their own timer and not rely on the computer.

2 Social Media Engagement Report and Presentation

Assessment Type

Presentation

Task Description

This assessment task requires the submission of <u>TWO</u> (2) FILES (i.e., one Word file and one PowerPoint file). Assessment 2 is an individual assessment that involves preparing a brief social media engagement report by analysing contents posted on a chosen brand's social media platform/s (e.g., Facebook, Instagram, YouTube, Twitter).

You are required to select <u>one</u> of the following brands:

- Canva (www.canva.com)
- Grill'd (www.grilld.com.au)

Analyse your chosen brand's social media posts as well as how social media users engage with these posts. You will classify these posts based on pre-determined categories or themes and prepare a brief report based on the analysis (please see Assessment 2 guidelines in Moodle for details). The report should include a recommendation section for your chosen brand. The main body of the report should be 1500 words maximum in length excluding the executive summary, table of contents, tables, charts/graphs, the reference list and appendices. The presentation component will be in PowerPoint format with recorded voice-over limited to **5 slides (excluding title slide)** and no longer than **5 minutes in duration**. The presentation component must include the major findings from the analysis and recommendations. The following link provides a good video tutorial on how to record voice-over in PowerPoint: https://www.youtube.com/watch?v=jHeH05PKvHg

NB: The brand you select will also be used in the Assessment 3 task.

Any assessment with a 'Turnitin' score of more than 25% will be checked by the marker and unit coordinator for potential plagiarism issue, although it may not necessarily mean that you have plagiarised. If there is a substantial similarity score in the 'Turnitin' report, your assessment could be forwarded to an appropriate office/authority.

Assessment Due Date

Week 7 Friday (28 Apr 2023) 11:45 pm AEST

Penalties apply for late submission (a 5% mark will be deducted from the total mark for Assessment 2 per day unless an approved extension has been granted).

There are 7 steps to prepare an EMP according to the textbook (see chapter 3 for details). The word limit for the EMP is 2500 words excluding the executive summary, table of contents, tables, charts/graphs, the reference list and appendices. Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the **Student Academic Integrity Policy and Procedure**. This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

Where can I get assistance?

For academic advice and guidance, the <u>Academic Learning Centre (ALC)</u> can support you in becoming confident in completing assessments with integrity and of high standard.

What can you do to act with integrity?

Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
