General Information

Overview

Businesses and organisations cannot sustain their competitive advantages in today's digital age without the expertise of digital marketing. This unit is designed to extend the way in which principles of modern marketing theory and practice are applied to the digital world. In this unit, you will develop pivotal understanding on marketing technologies, techniques, and strategies involving video, email, social media, and mobile elements. In addition, this unit also covers critical insights on the implementation of branding and advertising in the interactive online environment.
