Assessment Tasks

1 Assessment 1

Assessment Type

Online Quiz(es)

Task Description

The Assessment 1 task consists of **Two (2)** online quizzes, with ten (10) questions in each quiz. Each quiz is timed with a maximum duration of 20 minutes.

Your task is to complete both online quizzes.

Instructions and advice

- This is an individual assessment (no groups).
- Both quizzes are attempted online through the unit Moodle site.
- Quizzes can be accessed from inside the Assessment tile on the unit Moodle site.
- Both quizzes will be open only for a 7-day period.
- Refer to the table below for quiz opening and closing times.
- Each quiz will address content from a relevant chapter of the prescribed textbook.
- Each quiz is worth a maximum 10% towards your overall grade (i.e., 2 quizzes x 10% = 20% in total).
- Each quiz consists of 10 questions and is a maximum 20 minutes in duration.
- Answer format will be a combination of multiple choice and true or false.
- There are no negative marks for incorrect answers.
- All quiz questions are randomly assigned from a test bank.
- These are open book quizzes, so you can have your textbook with you when doing each quiz.
- Each online quiz can only be attempted **ONCE**, so do not open the quiz until you are ready to complete the entire quiz.
- Responsibility for access, Internet Service Provider, browsers, Internet connection and the computer you use remains with the student.
- Refer system access problems (e.g., Moodle login or password issues) to the Technology and Services Assistance Centre (tasac@cqu.edu.au) as soon as possible.
- Any issues during the quiz (e.g., screen has frozen) email the unit coordinator as soon as possible identifying the unit, your full name, student number, campus and approximate time the issue occurred.
- Students are encouraged to provide their own timer and not rely on the computer.

The Assessment 1 task is eligible for a re-attempt

A quiz re-attempt will only be considered by the unit coordinator under the following circumstances:

- If a student receives a failure mark (i.e., less than 5 marks out of 10) for a quiz AND

- If a student has initially demonstrated a reasonable attempt to complete the quiz AND
- If a student makes a request in writing to the unit coordinator via their CQUniversity email within three (3) calendar days of receiving their quiz mark.

If the unit coordinator allows a quiz re-attempt, the decision will be conveyed in writing via email to the student's CQUniversity email address.

Only one opportunity per student to re-attempt a failed quiz will be given.

A re-attempt quiz cannot score higher than the minimum pass mark allowable for the quiz (i.e., 5 marks out of 10).

The re-attempt quiz mark (maximum being 5 marks out of 10) will be the final mark for that quiz.

A re-attempt quiz must be completed within seven (7) calendar days of being notified by the unit coordinator about the re-attempt opportunity.

It is the responsibility of the student to check their CQUniversity email and adhere to the time and date designated for a re-attempt quiz.

There are no extensions available for a re-attempt quiz.

Skills

- Quizzes will test marketing knowledge and understanding.

Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

What can you do to act with integrity?

**Be Honest**

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

**Seek Help**

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

**Produce Original Work**

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
