General Information

Overview

In this unit you will study the popular music styles that have emerged from the late 19th century through to the early 21st century. You will examine the role of prominent performers, composers, lyricists, and music producers in the development of these styles. You will also explore the social, political and technological events that have shaped popular music styles through this period. Your studies will give particular attention to the study and analysis of primary source materials in the form of musical analysis of the musical forms relevant to the style.
