## 3 Pre-recorded Comparative Presentation: Baroque vs Classical

### Assessment Type

Written Assessment

### Task Description

**Mode:** Pre-recorded presentation using PowerPoint

**Length:** 5 - 10 mins

Choose two solo operatic works, one from the Baroque era and one from the Classical era. With direct references to the scores and recordings, compare and contrast the music elements of each. You must provide:

- Discussion about your chosen composers and how they link to other operatic composers of their period
- Distinctive features or characteristics of each era in the chosen music, and how they are incorporated in your chosen pieces, showing similarities and differences between the two pieces
- Appropriate score excerpts, images and video excerpts to support your discussion

You may use YouTube clips (appropriately referenced and included in the reference list) to support your argument. You cannot use any of the examples that were discussed in the tutorials.

Presentation description:

- 5 - 10 minute pre-recorded spoken presentation, as a video recording (a zoom recording will suffice).
- The presentation should include a PowerPoint including a title slide with your name and title of the case study.
- The final slide should include your reference list. You may use text, images and video files (no longer than 60 seconds in length).
- At the end of the presentation, you must submit a PDF of the PowerPoint slides through Moodle. Do not just read your document to the audience, but use your notes only as a guide. All technological issues are your responsibility.

## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

#### **What is a breach of academic integrity?**

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

#### **Why is academic integrity important?**

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

#### **Where can I get assistance?**

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

#### **What can you do to act with integrity?**

**Be Honest**

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

**Seek Help**

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

**Produce Original Work**

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
