The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

Throughout this unit, you will acquire fundamental knowledge and skills to provide basic nursing care at a beginning level. In particular, you will be able to conduct a holistic assessment and assist a person with their activities of daily living in the simulated environment. You will be introduced to the significance of the Nursing and Midwifery Board of Australia (NMBA) Registered Nurse Standards for Practice (2016) and other policies, codes, and guidelines relevant to professional nursing practice. You will explore the importance of the National Safety and Quality Health Service (NSQHS) Standards (2017) to all nursing practice in Australia and commence using the Patient Safety Competency Framework (PSCF) (Levett-Jones et al., 2017) in your practice as a nursing student. You will become familiar with scope of practice using the decision-making framework (DMF) (NMBA, 2020). You are required to participate in compulsory on-campus workshops or a residential school for this unit.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

The residential schools were great and the staff were awesome.

Recommendation

Continue to review and manage residential schools to ensure a great student experience.

Feedback from SUTE

Feedback

Unit coordinators have amazing knowledge and expert clinical skills which make them invaluable to learn from.

Recommendation

Unit coordinators will remain abreast of the most recent contemporary clinical skills applicable to the industry.

Feedback from SUTE

Feedback

This unit is well paced and full of contemporary and industry specific modules.

Recommendation

After each iteration, the unit will be reviewed to maintain contemporary and industry-specific modules.

Feedback from SUTE

Feedback

More time needs to be taken in the writing/proofreading of subject materials that are uploaded to moodle. There were significant spelling and grammatical errors throughout the unit, as well as in the assessment quizzes.

Recommendation

Unit coordinators and the Dean of Learning and Teaching (DDLTL) will continue to proofread content, materials and assessment quizzes.

Feedback from SUTE

Feedback

The maths component of the unit should be completed at home before attending residential school. Issues with clarity.

Recommendation

The maths exam is invigilated and therefore requires lecturers to oversee it as it is in progress. The exam questions are reviewed by the Head of Course (HoC), Head of College (HoC) and the Dean of Learning and Teaching (DDLTL). This process will continue every term.

Feedback from Student Teams message

Feedback

Thanks for all your feedback and encouragement for this term. Had a really great time studying this unit. We wouldn't have done it without your support & encouragement. A massive credit to you three who made it easy for us. I look forward to studying with you again. Much appreciated for everything you did for us.

Recommendation

Unit coordinators will continue to support and encourage students to ensure an enjoyable learning experience.

Feedback from SUTE

Feedback

Their online tutorials are well planned and thought out making them enjoying creating a comfortable and relaxed learning environment.

Recommendation

The online tutorials will continue.
