NURS13144 *Preparation for Practice as a Registered Nurse*

Term 2 - 2025

Profile information current as at 15/11/2024 04:16 pm

General Information

Overview

The transition from university to clinical practice is both exciting and challenging. This unit will assist you to prepare for the transition from student to graduate registered nurse. You will explore leadership roles which graduate registered nurses are expected to assume and discuss the skills required to perform these roles. The power differentials and tensions that can exist within healthcare organisations will be explored, including how knowledge of governance systems can support the graduate registered nurse to provide safe patient care within these systems. Finally, you will also prepare for your role transition from student to graduate registered nurse by developing strategies for teamwork, workload management, and care prioritisation.
