The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

In this unit, you will gain knowledge of Australia's geographic and cultural diversity and the impact of these on the nation's healthcare needs and health service delivery. You will review contemporary models of health services used to provide healthcare to populations in urban, rural and remote locations. The government's role in the provision of healthcare will be explored. You will analyse the social determinants of health by exploring colonisation, health inequity and culturally safe and equitable access to health care.

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.
