General Information

Overview

This unit prepares you to undertake a leadership role in healthcare contexts. In this unit, you will have the opportunity to analyse theories and models of leadership and reflect upon your leadership strengths and weaknesses. You will apply leadership theories and your selected leadership model/s to leading in the healthcare setting. You will also focus on emotional intelligence and critique the concept of relational power to autonomous practice. Through the use of coaching and mentoring strategies you will develop the capacity to lead, empower and inspire members of the healthcare team.

Assessment Overview

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.
