

# NURS20165 *Leadership in Healthcare*

## Term 2 - 2024

Profile information current as at 12/11/2024 05:23 am

All details in this unit profile for NURS20165 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

## General Information

### Overview

This unit prepares you to undertake a leadership role in healthcare contexts. In this unit, you will have the opportunity to analyse theories and models of leadership and reflect upon your leadership strengths and weaknesses. You will apply leadership theories and your selected leadership model/s to leadership roles in the healthcare setting. This unit enables you to focus on emotional intelligence and critique the concept of relational power to autonomous practice. Through the use of coaching and mentoring strategies learned in this unit, you will develop the capacity to lead, empower and inspire members of the healthcare team.

### Details

Career Level: *Postgraduate*

Unit Level: *Level 9*

Credit Points: 6

Student Contribution Band: 7

Fraction of Full-Time Student Load: 0.125

### Pre-requisites or Co-requisites

Students must be enrolled in CL22 Master of Clinical Nursing to undertake this unit. Pre-requisite: NURS20166.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

### Offerings For Term 2 - 2024

- Online

### Attendance Requirements

All on-campus students are expected to attend scheduled classes - in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

### Website

### Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

## Term Specific Information

As this unit is offered online, students are asked to prepare their own individual study plan to undertake self-directed study throughout the term. A key to your success is a strategic self-directed approach to learning and regular contact with your Unit Coordinator/s. Please check the Announcements page and unit content at least twice a week - there will be regular announcements about assessments and unit resources posted throughout the term and reviewing this information is essential to unit knowledge and your success. CQUniversity communicates with students through CQUniversity email. We recommend that you access your CQUniversity email at least twice a week so that you do not miss vital information about your studies.

## Assessment Tasks

# 1 Written Assessment

## Assessment Type

Written Assessment

## Task Description

### Aim

The aim of this assessment is for you to write an essay that identifies and describes your nursing leadership, and your nursing leadership aspirations in your clinical practice setting.

## Instructions

Please follow the steps below to write your academic essay and complete the task:

1. In your assignment, provide a brief introduction, outlining the aim of your essay (approximately 100 words).
2. Identify and critically analyse the leadership models and theories that resonate with your nursing practice. Use current academic evidence, and your learnings from Module 1 to describe how the leadership models and/or theories relate to your nursing practice (approximately 500 words).
3. Perform a self-assessment of your nursing leadership skills using one of the assessment tools suggested for this assessment.
4. Using your self-assessment of your nursing leadership skills, identify how the models and/or theories relate to your current role, and how you can apply the leadership models and/or theories to lead nursing within your clinical practice setting (approximately 400 words).
5. Identify three nursing leadership goal statements that you aspire to, that would assist in developing your nursing leadership. Present each goal using the SMART (Specific, Measurable, Achievable, Relevant, and Time-Bound) goal format (approximately 400 words).
6. Provide a concise conclusion summarising the main concepts from your essay (approximately 100 words).

## Literature and references

In this assessment use at least 15 contemporary references (5 years or less) sourced from the CQUniversity library to support your discussion. You may also use seminal scholarly literature where relevant. Suitable references include peer-reviewed journal articles as well as textbooks and credible websites. When sourcing information, consider the 5 elements of a quality reference: currency, authority, relevance, objectivity, and coverage. Grey literature sourced from the internet must be from reputable websites such as government, university, or peak national bodies, for example, the Australian College of Nursing. Note, that websites such as Stat Pearls, Life in the Fastlane, and Wikipedia are not suitable for this assessment task. Lecture notes are not primary sources of evidence and should not be used in this assessment.

## Requirements

- Have a cover page to your assignment that includes your name, student number, unit code, and in-text word count.
- Use conventional and legible size 12 font, either Times New Roman or Arial font, with 2.0 spacing and 2.54cm margins (standard pre-set margin in Microsoft Word).
- Include page numbers on the top right side of each page in a header.
- Write in the third-person perspective.
- All work submitted must be your own work.
- The use of generative artificial intelligence is permitted in this assessment and only as indicated in the GenAI Permissions Checklist specific to Assessment One in this unit.
- Use formal academic language and essay structure.
- Use the seventh edition American Psychological Association (APA) referencing style. The CQUniversity Academic Learning Centre has an online APA Referencing Style Guide.
- The word count excludes the reference list but includes in-text references and direct quotations, including paraphrasing and direct quotes. Please note, direct quotes should be avoided in Post Graduate assessments.

## Resources

- You can use unit provided materials and other credible sources (e.g., journal articles, books) to reference your argument. The quality and credibility of your sources are important. Please note, lecture notes are not peer reviewed primary sources of evidence.
- We recommend that you access your discipline specific library guide: the Nursing and Midwifery Guide; Social Work and Community Services Guide.
- You may like to manage your citations and reference list. Information on how to use academic referencing software (EndNote) is available at the CQUniversity Library website should you wish to learn how to use it.

- You may wish to submit a draft to Studiosity.
- For information on academic writing and referencing please go to the Academic Learning Centre Moodle site. The Academic Communication section has many helpful resources, including information for students with English as a second language.
- Submit at least one draft before the due date to review your Turnitin Similarity Score before uploading your final submission. Instructions are available here.

### Submission

Submit your assessment on or before the due date, via the unit Moodle site in Microsoft Word format only.

### Marking Criteria

Refer to the marking rubric on the Moodle site for more details on how marks will be assigned.

To achieve a passing grade for this unit you are required to pass this assessment item. If you do not receive a passing grade, you may be eligible for a re-attempt. A re-attempt is where you are given a second opportunity to demonstrate your achievement of one or more of the unit's learning outcomes before you can progress to new learning or participate in subsequent learning activities. You may be given the opportunity to re-attempt an assessment but will only achieve a mark no greater than the minimum for a pass standard for the assessment.

You must:

- have shown a reasonable attempt to complete the initial assessment task
- be granted a re-attempt by your Unit Lead/Coordinator
- make changes to the nominated assessment task which you have failed and resubmit the revised work for marking within seven consecutive days, no assessment extensions will be approved.

Please note: Only one opportunity for a re-attempt is allowed.

### Learning Outcomes Assessed

1. Analyse theories and leadership models and apply these in the healthcare setting to provide culturally competent, ethical, equitable and socially informed leadership of healthcare teams.
2. Reflect on your leadership skills and develop strategies to enhance these skills to effectively lead healthcare teams.

### Assessment Due Date

Week 5 Wednesday (7 Aug 2024) 5:00 pm AEST

Submit your assessment via the unit Moodle site in Microsoft Word format.

### Return Date to Students

Week 7 Friday (30 Aug 2024)

Students will be advised of release of assessment marking via an announcement posted to the announcements board on the Unit Moodle site. Please note, the "Return to Students Information" is an approximate date.

## 2 Written Assessment

### Assessment Type

Written Assessment

## Task Description

### Aim

The aim of this assessment is for you to demonstrate your nursing leadership through preparing a professional nursing leadership development plan.

### Instructions

Please follow the steps below to write your academic essay and complete the task:

Create a professional development plan demonstrating where your nursing leadership skills and abilities currently focus and where you would like your nursing leadership capabilities to be in your future professional practice.

- a. Please note, this does not necessarily mean changing your current professional role, for some people this will mean how they can lead better within their current role.
- b. Provide a brief introduction, outlining the aim of your essay (approximately 100 words).
- c. Review the feedback provided in Assessment 1 to prepare for this assessment.
- d. Identify your strategies for achieving your nursing leadership goals presented in Assessment 1. Use current evidence to justify your rationales (approximately 600 words).
- e. Describe, using current evidence, how you will measure the success of your nursing leadership goals (approximately 600 words).
- f. Discuss aspects of self-management, leading others, and leading change to prepare your professional development plan so that it reflects your self-assessment undertaken for Assessment 1:
- g. Be creative with your professional development plan, for example, include photographs, diagrams, and links that will demonstrate to the reader HOW you will achieve your nursing leadership goals (approximately 600 words).
- h. Provide a concise conclusion summarising the main concepts from your essay (approximately 100 words).

### Literature and references

In this assessment use at least 15 contemporary references (5 years or less) sourced from the CQUniversity library to support your discussion. You may also use seminal scholarly literature where relevant. Suitable references include peer-reviewed journal articles as well as textbooks and credible websites. When sourcing information, consider the 5 elements of a quality reference: currency, authority, relevance, objectivity, and coverage. Grey literature sourced from the internet must be from reputable websites such as government, university, or peak national bodies, for example, the Australian College of Nursing. Note, that websites such as Stat Pearls, Life in the Fastlane, and Wikipedia are not suitable for this assessment task. Lecture notes are not primary sources of evidence and should not be used in this assessment.

### Requirements

- Have a cover page to your assignment that includes your name, student number, unit code, and in-text word count.
- Use conventional and legible size 12 font, either Times New Roman or Arial font, with 2.0 spacing and 2.54cm margins (standard pre-set margin in Microsoft Word).
- Include page numbers on the top right side of each page in a header.
- Write in the third-person perspective.
- All work submitted must be your own work.
- The use of generative artificial intelligence is permitted in this assessment and only as indicated in the GenAI Permissions Checklist specific to Assessment Two in this unit.
- Use formal academic language and essay structure.
- Use the seventh edition American Psychological Association (APA) referencing style. The CQUniversity Academic Learning Centre has an online APA Referencing Style Guide.
- The word count excludes the reference list but includes in-text references and direct quotations, including paraphrasing and direct quotes. Please note, direct quotes should be avoided in Post Graduate assessments.

### Resources

- You can use unit-provided materials and other credible sources (e.g., journal articles, books) to reference your argument. The quality and credibility of your sources are important. Please note, lecture notes are not peer-reviewed primary sources of evidence.
- We recommend that you access your discipline specific library guide: the Nursing and Midwifery Guide; Social Work and Community Services Guide.
- You may like to manage your citations and reference list. Information on how to use academic referencing software (EndNote) is available at the CQUniversity Library website should you wish to learn how to use it.
- You may wish to submit a draft to Studiosity.
- For information on academic writing and referencing please go to the Academic Learning Centre Moodle site. The Academic Communication section has many helpful resources, including information for students with English as a second language.

- Submit at least one draft before the due date to review your Turnitin Similarity Score before uploading your final submission. Instructions are available here.

### Graduate Attributes

## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

### What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

### Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

### What can you do to act with integrity?

#### Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

#### Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

#### Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
