NURS20167 *Literature Review in Health, Safety and Wellbeing*
Term 1 - 2023

Profile information current as at 03/05/2024 04:31 pm

General Information

Overview
This unit will provide you with the theoretical and practical knowledge required to complete a literature review. You will identify an area of interest from your professional environment and develop a researchable literature review question that will facilitate a related quality improvement research project. Using this question, you will learn how to systematically conduct and document a review of the literature. This process will include the development of a search strategy followed by the retrieval, evaluation, cataloguing and synthesis of the selected literature.

Assessment Overview

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the University's Grades and Results Policy for more details of interim results and final grades.
