Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student email

Feedback

I have been encouraged to learn so much about research here. Your lectures were thorough and easy to understand. Your passion for education is what motivated me throughout the course. I have learnt so much from you and my nursing skills and research have improved immensely thanks to you [the Lecturer].

Recommendation

Continue to provide lectures but on a more regular schedule to support students.

Feedback from Student email

Feedback

Thank you so much for all your guidance and support in our research unit. I have found it quite challenging at times but you were easy to contact [Lecturer] and get support from especially with the data analysis.

Recommendation

Continue to provide lectures but on a more regular schedule to support students.

Unit Learning Outcomes

On successful completion of this unit, you will be able to:

1. Conduct an ethically approved research project
2. Collect and analyse research project data
3. Disseminate research findings and recommendations to a broader audience.
