Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE Feedback

Feedback

One feedback item was to have more video content as it makes the content easier to contextualise.

Recommendation

It is recommended to further embed more video content into the lectures where possible. Students also had a multimedia assessment task which requires them to watch video content and reflect on the OHS profession history, so it is recommended to keep this as part of their assessment task.

Feedback from SUTE Feedback

Feedback

Teacher was fantastic, very helpful and approachable.

Recommendation

It is recommended to keep taking an approachable stance with students and engaging them to reach out if they need help.
