Please note that this Unit Profile is still in progress. The content below is subject to change.

OCHS13018 Safety Systems

Term 1 - 2025

Profile information current as at 27/09/2024 10:16 am

All details in this unit profile for OCHS13018 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit provides you with the ability to manage health and safety in organisations in order to optimise work systems, procedures and processes by using evidence based research to inform the design and practice of OHS management systems. This will positively influence and improve workplace health and safety outcomes and maximise compliance with health and safety laws. Topics covered include the development, implementation, analysis and evaluation of organisational safety management systems as well as the integration of health and safety sub-systems.

Details

Career Level: *Undergraduate*

Unit Level: *Level 3*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

The unit requires an understanding of risk concepts and OHS Law. Accordingly, pre-requisites for this unit are OCHS11025 Health and Safety Risk Management AND any one of the following OCHS11027 OHS Fundamentals or OCHS12015 OHS Law or AINV12004 Investigation Domain Contexts.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2025

- Online

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)
