General Information

Overview

In this capstone unit you will integrate your knowledge, skills and professional experience in a range of environments in preparation for employment as an oral health therapist. In addition to treating children and adolescents, this course is approved by the National Board to train and educate you to treat adults of all ages. You will be required to attend a two-week compulsory intensive / residential school prior to the commencement of clinical placement. You will have the opportunity to demonstrate safety and competence in total patient care over a range of preventive and operative clinical procedures with patients including those who are medically compromised, with special needs and the elderly. You will also consolidate your clinical judgment skills in identifying patients who require referral for complex care outside your scope of practice. You will improve your clinical reasoning skills in a supportive environment aimed to increase your confidence through reflective and self-directed learning. On successful completion of this unit you will be able to communicate information regarding oral health in oral and written forms utilising appropriate interpersonal and team communication skills, professional attitudes and ethical behaviours.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Teaching team

Feedback

Yarning circles were an excellent way for students on placement to share their learning experiences. However, incorporating some structure would help ensure that all students can engage and participate in the yarning circle case discussions

Recommendation

It is recommended to introduce a structured format to ensure all students can engage and share their experiences effectively over the course of the term.

Feedback from SUTE and teaching team

Feedback

Balancing clinical placement, recorded lectures and only one online session in the evening each week was good.

Recommendation

It is recommended to continue with one scheduled yarning circle per week and pre-recorded lectures.

Feedback from SUTE

Feedback

The assessment format was valuable, and the online quiz timing were good.

Recommendation

It is recommended to continue with the online quiz format.
