- Mixed Mode

Attendance Requirements
All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website
[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Assessment Overview

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the University's Grades and Results Policy for more details of interim results and final grades.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Reflection and discussion amongst teaching team.

Feedback

Students sometimes struggle with the requirement to complete an ethics application for their project.

Recommendation

Consider introducing the Ethics microcredential into the unit learning material.

Feedback from Reflection with teaching team

Feedback

Occasionally there is difficulty in completing required administrative processes associated with practicums hosted by Queensland Health agencies

Recommendation

Improve processes interfacing with WIL team.

Unit Learning Outcomes

On successful completion of this unit, you will be able to:

1. Collaborate with relevant stakeholders to undertake a Public Health project
2. Negotiate and manage a placement experience through the use of a self-directed learning plan
3. Identify, analyse and discuss current and emerging issues relating to working within the field of Public Health
4. Apply problem-solving techniques and strategies to a Public Health Project
5. Critically reflect on learning associated with placement experience.
