General Information

Overview

Through continuing your studies in music and production fundamentals, you will gain knowledge of how music is created, rehearsed, recorded and performed. You will specialise in genres such as jazz, rock, pop, rhythm and blues, funk and soul. Using industry recognised software, you will gain further experience with Musical Instrument Digital Interface (MIDI), software synthesisers, sequencing, multi-track recordings, editing and audio mixing. The study of practical and theoretical principles gives you the opportunity to explore various performance, technical and creative skills.
