General Information

Overview

In this unit you will develop the capacity to engage with, assess, and manage obstetrics and paediatric patients. Upon completion of this unit, you will be able to draw upon your knowledge of pathophysiology, epidemiology, and aetiology to provide professional, situational, and culturally appropriate treatment pathways for managing these special populations.

Details

Pre-requisites or Co-requisites

Pre requisite: PMSC12005. Please note: Any student who has not successfully completed a PMSC residential school within the preceding 12 months or undertaken a clinical placement unit, should consult with the Head of Course to discuss completing a PMSC12001 refresher. This ensures currency with all contemporary skills and procedures in line with industry standards and professional capabilities.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2026

- Mixed Mode

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from T1 2025 SUTE Unit Comment Report

Feedback

It would be good to group the video lectures together and have the pdf materials below them in the same order.

Recommendation

Will ensure the current format is aligned and group all the weekly content into one large PDF and one large video at the end of the week for students.
