General Information

Overview

This unit is the third of three (3) clinical placement units within the Bachelor of Paramedic Science course, where you will apply clinical knowledge, reasoning and practical skills at a graduate level in the clinical environment, engaging in reflective practice and consolidating skills and knowledge acquired over the course of the degree. There will be five (5) weeks of clinical placement with an approved clinical provider. Placement activities focus on clinical judgement and decision-making to support your increasingly independent practice, ensuring you are adequately prepared for entry into a graduate internship program.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

Students expressed a desire for faster return of assessments

Recommendation

By further embedding and refining digital assessment tools, this will significantly improve return of assessments quicker.

Feedback from SUTE

Feedback

Pre & post surveys outdated and unnecessary

Recommendation

Rewriting Portfolio to contemporise the purpose and to remove superfluous elements and replace with areas which are not only relevant but also easily assessable and in line with accreditation obligations.
