General Information

Overview

Throughout the Transition to Paramedic Practice and Professionalism unit, you will acquire the requisite knowledge and skills to assist with your evolution to beginner practitioner and a Registered Paramedic. This unit will explore the requirements for registration, and continuing professional development, as a paramedic in Australia. You will explore and further develop your professional and therapeutic communication skills with a focus on receiving and delivering constructive feedback, in preparation for a graduate internship and future mentoring opportunities. Additionally, you will explore and enhance positive professional habits to strengthen individual resilience while promoting good physical and psychological health, integral to an effective career in paramedicine.

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.
