Assessment Overview

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE and informal feedback

Feedback

Students enjoyed the ethics assessment and content

Recommendation

As part of the written assessment, students must identify and propose solutions to complex ethical dilemmas that arise in research. We suggest that this practice should be continued in the next offering of the unit as the students found it valuable and it aligns with the unit's learning outcome on ethics.

Unit Learning Outcomes

On successful completion of this unit, you will be able to:
