PODI13012 Paediatrics in Podiatry Practice

Term 2 - 2026

Profile information current as at 05/12/2025 01:49 pm

All details in this unit profile for PODI13012 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit will focus on childhood development, with specific focus on paediatric disorders related to the lower extremity. Students will develop history taking and physical examination skills specific to the paediatric podiatry patient. Students will also be exposed to psycho-social issues affecting children, which may affect the management of paediatric lower limb conditions. An evidence-based approach to clinical management of the paediatric patient in podiatry practice will be central to this unit.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit Coordinator reflection

Feedback

It has been identified that there is a large volume of content covered in this unit.

Recommendation

It is recommended that the Unit Coordinator conducts a thorough review of content for duplication and relevance.

Feedback from Unit Coordinator reflection

Feedback

A prescribed textbook would be a useful addition to this unit.

Recommendation

It is recommended that the Unit Coordinator reviews relevant and up-to-date textbooks for implementation as teaching resources in subsequent deliveries of this unit.

Feedback from Unit Coordinator reflection

Feedback

The engagement of guest speakers into the delivery of this unit was successful in conveying the nature of multidisciplinary care in paediatric podiatry, especially in the context of disability.

Recommendation

It is recommended that the Unit Coordinator continues to engage guest speakers into this unit to enhance the teaching and learning experience and to provide a range of paediatric specialist content.
