## Term 2 - 2018

Profile information current as at 28/04/2024 03:06 pm

All details in this unit profile for PPMP20019 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

## General Information

### Overview

This unit builds on the pre-requisite unit, Project Management Research Proposal (PPMP20015). It will enable you to refine your research proposal and proceed with the execution of your proposed research project during the final year of the Master of Project Management (CV84). You will learn how to conduct a critical literature review. Your research approach, methods and instruments of primary data collection will be determined in this unit. You will also complete ethics protocols if your intended research involves people. The final stage of the research project will be completed in Research Project 2 (PPMP20016).

### Assessment Overview

#### Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.
