PPMP20019 Research Project 1

Term 2 - 2023

Profile information current as at 26/03/2023 10:51 pm

All details in this unit profile for PPMP20019 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit will enable you to conduct an independent research inquiry into a specific topic relating to your discipline with the guidance of an allocated supervisor. You will complete a comprehensive review of previous scholarly work relating to your research topic and develop well-articulated research questions. Your research approach, methods and instrumentation of data collection will be determined and finalised in this unit. You will also complete the ethics protocols if your intended research involves people. At the end of this unit, you will develop and present a rigorous project plan that you will execute in the subsequent unit: Research Project 2 (PPMP20016).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student evaluation

Feedback

The students valued the continuous support and guidance provided by their respective supervisors.

Recommendation

Continue with the good practice of research supervision and ensure that the supervisors are allocated based on their knowledge and expertise in the research topics.

Feedback from School leadership

Feedback

The unit will be offered to students enrolled in Master of Construction Management and the current unit design may need to be revisited.

Recommendation

Redesign the unit to have a broader coverage to suit students from other disciplines.
