Previous Student Feedback

Feedback, Recommendations and Responses
Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Feedback from students

Feedback
Students would like more time in practical sessions to practice clinical skills.

Recommendation
It is recommended that practical sessions be reviewed to build in more practice time of clinical skills into the weekly case studies.

Feedback from Verbal feedback from students

Feedback
Students would like answers to clinical reasoning and questions for cases studies to assist with revision.

Recommendation
It is recommended that post-clinical reasoning case answer sheets are provided for students to review.
