## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from SUTE

##### **Feedback**

A student requested clearer instructions on the relationship between assessments 1 and 2.

##### **Recommendation**

The Unit Coordinator will add a flow diagram in the Unit Assessment Guide showing the relationship between each assessment.

#### Feedback from Discussion with students in Workshop 4

##### **Feedback**

It would be beneficial to include content on how to end a group in ways that both keep the agreed time commitment and which allow for exploration and contingencies arising during the group facilitation.

##### **Recommendation**

The Unit Coordinator will add a short video outlining how to end a group in a timely manner that also allows for exploration and unexpected events during the group itself.

#### Feedback from Unit coordinator's observations.

##### **Feedback**

In Assessment 2, students complete a feedback evaluation form on a group run by another student. The comments in these forms are not always supportive or helpful and students may benefit from some guidance on how to give feedback to others.

##### **Recommendation**

The Unit Coordinator will add a short video outlining how to give constructive feedback to others in evaluation forms.
