## Term Specific Information

Please note: To pass this unit there is a requirement to attend at least 10 out of the 12 compulsory scheduled weekly workshops. Unless suitable documentation is provided, such as a medical certificate, attendance at less than 10 out of the 12 scheduled workshops will result in a Fail grade for the unit. The rationale for the compulsory attendance is that the skills and knowledge required to work competently and ethically with clients is taught and practiced in these evening workshops.

## Assessment Tasks

### 1 ASSESSMENT 1

**Assessment Type**

Practical Assessment

**Task Description**

For this assessment, you will choose an adult volunteer to coach in one simple, non-counselling, area of wellbeing-related behaviour change. - Prior to commencing the sessions, you will: 1) identify with the prospective client the area of wellbeing s/he would like to improve or develop via the coaching sessions; 2) source an appropriate, safe and professional location for conducting the sessions, as specified in the Assessment Guide, to which the client needs to agree; 3) gain Unit Coordinator approval for the sessions' focus and location.

## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

### What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

### Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

### What can you do to act with integrity?

#### Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

#### Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

#### Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
