General Information

Overview

This unit is intended to provide you with knowledge and skill acquisition at Australian Psychology Accreditation Council (APAC) Accreditation Standards Level 3, which represents professional and specialised areas of practice competencies necessary for working as a psychologist. Specifically, this unit aims to build your competency in theoretically informed selection, administration, interpretation, and integration of standardised psychological testing into broader assessment of cognition, intelligence, and learning. You will build knowledge and skills specific to culturally-responsive reflective practice approaches to psychological assessment.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

Multiple students reported a discrepancy between the information of assessments and marking rubrics, compared with the comments of the external marker.

Recommendation

The unit coordinator will mark the assessments, so there's better alignment between information provided in lectures and the comments from marking.

Feedback from SUTE

Feedback

Several students reported that the marking rubric for the feedback assessment was unclear.

Recommendation

The marking rubric for the feedback assessment will be reviewed and updated.
