General Information

Overview

This unit is intended to provide you with knowledge and skill acquisition at Australian Psychology Accreditation Council (APAC) Accreditation Standards Level 3, which represents professional and specialised areas of practice competencies necessary for working as a psychologist. Specifically, this unit aims to build your competency in theoretically informed selection, administration, interpretation, and integration of standardised psychological testing into broader assessment of cognition, intelligence, and learning. You will build knowledge and skills specific to culturally-responsive reflective practice approaches to psychological assessment.
