General Information

Overview

Clinical Practice 2 is designed to provide you with advanced practice skills required for the professional competencies in clinical psychology specified by the Australian Psychology Accreditation Council (APAC) and to prepare you for the Registrar Program to gain an Area of Practice Endorsement in Clinical Psychology with the Psychology Board of Australia. By the completion of Clinical Practice 2, it is expected that you will demonstrate competencies including the ability to apply knowledge of the discipline to practice with minimal supervision; adherence to ethical, legal and professional practice requirements; competency in assessment and evidence-based interventions with a narrow range of clients at moderate severity levels; good communication skills with clients and other professionals, and demonstrated ability to critically self-reflect on your practice.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE data

Feedback

Creating a more streamlined approach for supervision logs would be very beneficial

Recommendation

Streamline supervision logs, so that the information required is clear and they are easy to complete.

Feedback from Student and staff feedback

Feedback

Moving class time back to a non-placement day

Recommendation

Move class time (i.e., group supervision) back to a non-placement day to allow more time for students to focus on client work on the placement days.
