RSCH20002 *English for Research* Term 2 - 2022

Profile information current as at 25/04/2024 06:53 pm

All details in this unit profile for RSCH20002 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit aims to provide masters and doctoral Research higher degree (RHD) students with the knowledge and skills necessary to successfully communicate in English. You will become familiar with the academic skills required for effective reading, writing, listening and spoken English. The assessment in this unit will align with individual goals and have direct correlation to your own research. The assessment supports the development of advanced skills and confidence in using English for academic purposes at CQUniversity. This unit will be available to any candidate studying a Research Higher Degree (i.e. masters by research or doctoral level study), and is particularly suited to candidates from non-English speaking backgrounds, be those either domestic or international enrolments. Candidates can self-select to enrol in this unit, or may be asked to do so under direction of their Supervisory Panel or Research Division.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit Evaluation

Feedback

The course provided what was expected, some courses miss the mark, not this one.

Recommendation

Create teaching and learning activities that support RHD candidates from diverse backgrounds and tailor the activities to enhance the candidate's unique area of research.

Feedback from Unit Evaluation

Feedback

The unit really addresses the need of international students. It answers the questions that we come across during our writing. The pool of resources on the moodle site is very helpful.

Recommendation

Provide feedback that supports RHD candidates at different language competency levels and specifically supporting students from non-English speaking backgrounds.

Feedback from Unit Evaluation

Feedback

Student interaction and resources shared were very useful. Having all the information from the unit on Moodle was helpful.

Recommendation

Encourage students to engage and interact during ZOOM sessions and ensure the unit resources on Moodle are updated and relevant.

Feedback from Unit Evaluation

Feedback

More information on basic grammar, sentence structure and writing presentation. More time spent on thesis writing and article writing.

Recommendation

Provide additional resources to improve the students' writing skills and confidence in basic grammar, syntax and academic writing.

Feedback from Unit Evaluation

Feedback

Course does not focus on listening and speaking enough.

Recommendation

Provide more resources to improve the students' skills and confidence in their listening and oral expression. Encourage students to attend RHD workshops around oration skills.

Unit Learning Outcomes

On successful completion of this unit, you will be able to:

1. Apply standard English language conventions to texts for academic purposes
2. Use active listening skills to produce written texts according to audience and purpose
3. Apply analytical reading skills to produce written texts according to audience and purpose
4. Create and deliver an oral presentation
5. Reflect on feedback to develop lifelong learning skills in collaborative contexts

There is no relevant external accreditation.
