Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit Coordinator Reflections

Feedback

There is room to make the process for contacting and arranging markers more efficient.

Recommendation

There should be a streamlined set of tasks to ensure the efficiency of the marker recruitment process. A 'manual' outlining the required steps that the unit coordinator should take should be developed, with the inclusion of standardised communication text.
