## General Information

### Overview

This unit is designed to help students become self-directed, active and confident learners. It introduces them to a range of theories and concepts to facilitate the development of practical skills and positive attitudes necessary for success in university. There will be opportunities for critical self-reflection on key aspects of student life, including: individual learning preferences and study habits; time management and goal-setting; individual study and career paths; note-taking and assessment strategies. Students will practise critical thinking, and apply information literacy skills to their research. They will learn to negotiate the procedures and systems used at CQUniversity, and practise communication skills in a range of contexts.

### Assessment Overview

#### Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from Unit Coordinators and Self-reflection

**Feedback**

Streamlining resources on Moodle

**Recommendation**

Reduce the number of optional resources and activities and create a consistent look within each tile on Moodle to make the site less busy.

#### Feedback from Unit Coordinators and Self-reflection

**Feedback**

Simplifying study guide

**Recommendation**

Remove the discussion forum invitations as numbered activities in each module, and leave as Moodle activities only.

#### Feedback from Students

**Feedback**

Acknowledgment of actively engaged students

**Recommendation**

Continue to provide positive reinforcement and encouragement to actively engaged students through regular email correspondence throughout the term.
