# SOCL11059 *Introducing Social Change*

## Term 3 - 2024

Profile information current as at 27/09/2024 10:15 am

All details in this unit profile for SOCL11059 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

## General Information

### Overview

In this unit you will examine key processes of social change and power that are needed to address the challenges facing people and the planet. By drawing on the work of a range of social change leaders and new paradigms from a range of social sectors - production, consumption, distribution, exchange and finance - you will begin developing skills in leading social change. You will explore processes of self change and social change as well as the social innovations that will be part of developing a new economy, society and sustainable environment into the 21st Century.

### Assessment Overview

#### 1. **Portfolio**

Weighting: 50%

#### 2. **Written Assessment**

Weighting: 50%

### Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from Student Unit Evaluation

**Feedback**

Release of the weekly topic lecture at the start of the week.

**Recommendation**

Early release of the lecture notes and recording will be implemented.

#### Feedback from Student Unit Evaluation

**Feedback**

Include more information on key concepts and topics in the PowerPoint lecture notes.

**Recommendation**

The PowerPoint lecture notes will be updated and attention given to providing students with more information on key concepts and topics to scaffold student learning and support the set readings.

#### Feedback from Student Unit Evaluation

**Feedback**

Found the lectures to be good and of a suitable length.

**Recommendation**

Attention will continue to be invested in providing useful lectures and in a format to support student learning.

#### Feedback from Student Unit Evaluation

**Feedback**

Great feedback on the assignments provided.

**Recommendation**

Students' learning and development of academic thinking and writing skills will continue to be supported through feedback.
