# SOWK12010 *Theories of Change for Professional Practice II*

## Term 2 - 2022

Profile information current as at 18/05/2022 07:22 am

All details in this unit profile for SOWK12010 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

## General Information

### Overview

Students should be able to articulate the mix of philosophical assumptions informing the delivery of human services in Australia pointing to opportunities for change. Students should be able to apply taxonomy of professional knowledge to the relationships between these philosophies, ideologies, and social theories that will contribute to their emerging framework for social work practice. Students should be able to analyse and apply social theories to assist in making sense of individual relationships within societies and select and apply different social work intervention strategies within both meso and macro systems of society.

### Assessment Overview

#### Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from Several students shared this feedback

**Feedback**

Responding to students in a time appropriate manner

**Recommendation**

Attention needs to be given so that students are responded to promptly so their studies are not interrupted

#### Feedback from Several students shared this feedback

**Feedback**

More detail about Problem Based Learning needs to be given to students

**Recommendation**

More detail will be provided in Moodle about problem-based learning so that students are clear on what is expected from them

## Unit Learning Outcomes

**On successful completion of this unit, you will be able to:**

1. Compare the assumptions of influential philosophies and interpret how these different ideas inform specific theories that determine the delivery of human services and the practice of social work.
2. Apply these theories to case scenarios in social work practice using an analysis informed by the values of the profession.
3. Compare the philosophies, ideologies, and theories of social work and integrate them into your emerging professional practice framework.
4. Analyse your own performance based on feedback drawn from your involvement in professional learning contexts.
