General Information

Overview

This unit provides you with an overview of the ideas and practices of contemporary management and leadership and relates these to social work practice. You should be able to critically analyse the role of social worker as a manager, evaluate management and leadership approaches, and explore alternative leadership strategies to assist in the integration of social work values and ethics alongside the role of the manager and specific agency requirements for the delivery of services. You should be able to propose leadership models appropriate to social work practice contexts and provide relevant strategies to promote social work values and ethics, and collaborative leadership. You will have opportunities in this unit to integrate your learning with experiences in the workplace or field education.
