

# SPCH11001 *Introduction to Communication and Swallowing Disorders*

## Term 1 - 2021

Profile information current as at 09/05/2024 08:22 pm

All details in this unit profile for SPCH11001 have been officially approved by CQUUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

## General Information

### Overview

In this unit you will be introduced to developmental and acquired communication and swallowing disorders across the lifespan. You will study the types of disorders that speech pathologists assess and manage across the lifespan and be familiarised with the range of intervention settings in which speech pathologists are employed. You will be oriented to the standards required, and terminology used in, contemporary speech pathology practice in Australia. The International Classification of Functioning, Disability and Health framework and the principles of evidence based, interprofessional and reflective practice are embedded throughout this unit.

Unit Level: *Level 1*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

### Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

### Offerings For Term 1 - 2021

- Rockhampton

### Attendance Requirements

All on-campus students are expected to attend scheduled classes - in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

### Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

## Class and Assessment Overview

### Recommended Student Time Commitment

Each 6-credit Undergraduate unit at CQUniversity requires an overall time commitment of an average of 12.5 hours of study per week, making a total of 150 hours for the unit.

### Class Timetable

#### [Regional Campuses](#)

Bundaberg, Cairns, Emerald, Gladstone, Mackay, Rockhampton, Townsville

#### [Metropolitan Campuses](#)

Adelaide, Brisbane, Melbourne, Perth, Sydney

### Assessment Overview

#### 1. **Online Quiz(zes)**

Weighting: 50%

#### 2. **Oral Examination**

Weighting: 50%

#### 3. **Electronic Focused Interactive Learning (eFIL)**

Weighting: Pass/Fail

### Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

## CQUniversity Policies

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from Have Your Say

**Feedback**

Students provided positive feedback on the content of the unit.

**Recommendation**

It is recommended that SPCH11001 content continues to provide students with a broad overview of communication and swallowing disorders and the role of speech pathologists in this domain.

#### Feedback from Have Your Say

**Feedback**

Despite the required move to the Zoom model of teaching / presenting, students responded positively to the inclusion of the guest speakers from the community.

**Recommendation**

It is recommended that guest speakers from various community organisations continue to be included in SPCH11001 in future iterations of the unit.

#### Feedback from Have Your Say

**Feedback**

One student indicated that criteria on one assessment rubric be more prescriptive as opposed to descriptive.

**Recommendation**

It is recommended that the assessment rubrics be reviewed prior to 2021 and any adjustments be made accordingly.

## Unit Learning Outcomes

**On successful completion of this unit, you will be able to:**

1. Describe the different types of communication and swallowing disorders
2. Identify the scope of practice for speech pathologists in accordance with Speech Pathology Australia's guidelines
3. Discuss the International Classification of Functioning, Disability and Health framework and the principles of evidence-based and interprofessional practice in the speech pathology context
4. Demonstrate the principles of reflective practice at an introductory level.

The learning outcomes in this unit contribute to the development of clinical and professional competencies as outlined by Speech Pathology Australia's Professional standards.

## Term Specific Information

Welcome to SPCH11001 - Introduction to communication and swallowing disorders. Tina Janes is your unit coordinator and lecturer, but we will have some guest presenters from different speech pathology organisations across Central Queensland. This year SPCH11001 is offered as a mixed modality unit. There is one face-to-face two hour class a week, BUT you will have videos to watch either of recorded speakers or different clips related to each topic for the week. You will be required to watch these and complete a variety of tasks. Please ensure you have the required textbook for this unit as this is a text you will use throughout the Speech Pathology course and beyond. Your text is:

**Justice, L. & Redle, E. (2014). *Communication sciences and disorders. A clinical evidence based approach.* (3rd ed.). Pearson.**

I look forward to meeting you all at the beginning of term. If you have any questions either email me on t.janes@cqu.edu.au or post them on the discussion board if they are related to the content of the unit.

## Assessment Tasks

### 1 ONLINE QUIZZES (weeks 3, 5, 7, 9 & 11)

#### Assessment Type

Online Quiz(zes)

#### Task Description

- Each of the five quizzes are worth 10% each
- A quiz is opened on the Thursday of **weeks 3, 5, 7, 9 and 11** and closes on the Monday of the week following - i.e. weeks 4, 6, 8, 10 and 12
- **MUST PASS ASSESSMENT TASK**
  - You do not need to pass each quiz, but you must obtain a cumulative **50% - i.e. 25/50** over the five quizzes
- The quizzes will cover content from the lectures, any readings and video content
- Week 3 quiz covers only content from weeks 1 to 3, but the remaining quizzes in weeks 5, 7, 9 and 11 may include earlier content.
- Following each quiz you will be provided with a brief feedback sheet on your performance. It is anticipated that this will help you in future quizzes. This feedback sheet will provide you with the type of answers expected for each question.

#### Number of Quizzes

5

#### Frequency of Quizzes

Other

#### Assessment Due Date

A quiz will be made available to you at 5pm on the Thursday of weeks 3, 5, 7, 9, and 11. The quiz will close at 9am on the following Monday of weeks 4, 6, 8, 10 and 12.

#### Return Date to Students

Results will be returned one week after completion of each quiz.

#### Weighting

50%

#### Minimum mark or grade

A minimum of 25/50 (i.e. 50%) is required to pass this assessment and the unit. There is not a requirement to pass each quiz, just the total of the five quizzes.

#### Assessment Criteria

Following each quiz you will be provided with a brief feedback sheet on your performance. It is anticipated that this will

help you in future quizzes. This feedback sheet will provide you with the type of answers expected for each question, i.e. the criteria expected for a correct answer to be given.

### Submission

Online

### Submission Instructions

The quizzes will be available on Moodle in the weeks stipulated. Your answers will be submitted at the completion of the quiz.

### Learning Outcomes Assessed

- Describe the different types of communication and swallowing disorders
- Identify the scope of practice for speech pathologists in accordance with Speech Pathology Australia's guidelines
- Discuss the International Classification of Functioning, Disability and Health framework and the principles of evidence-based and interprofessional practice in the speech pathology context

### Graduate Attributes

- Communication
- Critical Thinking
- Information Literacy
- Information Technology Competence

## 2 ORAL EXAMINATION (Week 12)

### Assessment Type

Oral Examination

### Task Description

- You must pass this assessment in order to meet the requirements of the unit. The pass grade is 50%, that is 25/50.
- Times will be allocated in class and listed on Moodle
- You will each be scheduled 60 mins
- You will be asked direct content questions and also reflective practice questions
- The content of your oral exam will come from any content during weeks 1 to 11 of term
- You will not be allowed to bring anything in the room with you
- It will be advantageous for you to ensure you have completed all the activities and quizzes to the best of your ability, as this will assist you during the oral examination
- You will be provided with a brief feedback sheet on your performance to allow you to improve upon the areas that were most challenging

### Assessment Due Date

Week 12 Wednesday (2 June 2021) 11:00 am AEST

Assessment times will be scheduled for week 12 according to class commitments.

### Return Date to Students

Exam Week Wednesday (16 June 2021)

Feedback will be uploaded to Moodle with the grade.

### Weighting

50%

### Minimum mark or grade

A mark of 25/50 (i.e. 50%) is required to pass this assessment and the unit.

### Assessment Criteria

You will not be provided with a criterion sheet prior to the oral examination, which is a similar format to written examinations. You will however be provided with examples of the types of questions during class times and completion of all the tasks throughout weeks 1 to 11 will support your preparation for this oral examination. As stated above you will be provided with a feedback sheet after the oral examination which will show you the types of answers expected and your performance relative to this.

## 3 EFIL ACTIVITIES (each week)

### Assessment Type

Electronic Focused Interactive Learning (eFIL)

### Task Description

- Each week you will have a number of eFIL (Electronic Focused Interactive Learning) activities to complete
- There must be evidence that you have **completed 80%** of these eFIL tasks
- This is a **MUST PASS** item and if you haven't completed 80% of the tasks you will not be able to pass the unit
- eFIL activities pertain to any activity listed on your Moodle site between weeks 1 and 12 (inclusive). This may include, but is not limited to: discussion forums, watching videos, linked readings and H5P activities.

### Assessment Due Date

Review/Exam Week Monday (7 June 2021) 1:00 am AEST

The date for final completion of eFIL tasks is Monday, 1am, week 13

### Return Date to Students

You will be provided with the necessary feedback following completion of the tasks.

### Weighting

Pass/Fail

### Minimum mark or grade

This is a pass/fail task. Eighty percent of eFIL activities must be completed to pass this assessment and the unit.

### Assessment Criteria

You must complete 80% of the eFIL activities in order to pass this assessment and the unit. Some online activities will provide you immediate feedback (e.g., H5P interactive learning activities). For other eFIL activities (e.g., work sample submissions, discussion forums), you will be provided feedback in the form of 1-2 comments by your lecturer, provided the activities are completed by 1:00am on Monday of the week the activity was set. For example, if an activity is set for week 3, the activity needs to be completed by Monday 1:00am of week 3, to be provided feedback. You may complete your eFIL activities at any time, prior to the week 13 due date, you will only receive feedback if they are completed within the set week.

## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

### What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

### Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

### What can you do to act with integrity?

**Be Honest**

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

**Seek Help**

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

**Produce Original Work**

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
