All details in this unit profile for SPCH13004 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

## **General Information**

#### Overview

In this unit, you will apply theoretical knowledge and evidence-based practice to the assessment and management of language, literacy and hearing in the school-aged population. Using the International Classification of Functioning, Disability and Health (ICF) framework, you will interpret assessments, and plan prevention and intervention strategies for children in the school years. Service delivery models that encompass interprofessional practice principles and crosscultural service provision in diverse communities and contexts will be discussed.

#### Assessment Overview

## Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the <u>University's Grades and Results Policy</u> for more details of interim results and final grades.
