General Information

Overview

In this unit you will have the opportunity to work with adults and/or children with a wide range of communication and/or swallowing goals and needs through the completion of work integrated learning experiences. You will learn how to adapt your practice in response to individual, family, and community input, strengths, goals, and needs. The domains of professional conduct, and reflection and lifelong learning will be embedded throughout the unit. Prior to the commencement of the unit, you must complete all pre-clinical requirements and maintain these requirements throughout the unit.
