General Information

Overview

This unit is designed to assist you to develop and demonstrate the knowledge, skills, and attributes required to meet the minimal standards of the profession. In this unit you complete a paediatric-focused work integrated learning experience where you will provide safe, ethical, and evidence-based practice. You will apply person-centred, family-centred and community-centred approaches and engage in interprofessional collaborative practice as relevant to your workplace setting. You will further develop your ability to adapt your practice to respond to the needs of individuals and communities and gain experience using critical reflection in an authentic workplace setting. Following the completion of your paediatric placement, you are required to demonstrate holistic thinking, clinical reasoning, and application of evidence-based practice within the context of a paediatric case-based viva. Prior to the commencement of the unit, you must complete all pre-clinical requirements and maintain these requirements throughout the unit to engage in your work integrated learning.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit coordinator reflection, student informal feedback and Speech team consultation.

Feedback

Residential Schools need to occur prior to Orientation Week to allow students to be prepared prior to the start of their work integrated learning experiences. Earlier running of the residential schools will also allow students to start their placements earlier than Week 1 of Term (if appropriate).

Recommendation

It is recommended that residential school for SPCH14007 be combined with the residential school for SPCH14006 into a two day residential school that occurs in the vacation period between Terms 1 and 2.

Feedback from Unit coordinator reflection, student informal feedback and Speech team consultation.

Feedback

Students require information on "Applying for Jobs" earlier in the year in order to prepare for the job application process.

Recommendation

It is recommended that the Unit Coordinator collaborates with CQU Careers to ensure that information on job selection, writing job applications, and preparing for interviews is provided in the first residential school for SPCH14006 students.
