General Information

Overview

This is the first unit of the intermediate second year level in this series. You will undertake more complex activities according to your major in either music theatre, drama or technical theatre. These continue the systematic progression of the ideas and expressive practicum in the realisation of theatre performance. If you are studying the music theatre specialisation, you will focus on acting and dance (ballet, contemporary, tap and jazz). If you are studying the drama major you will focus on voice, acting and movement. If you are studying the technical theatre specialisation you will explore the technical theatre process through intermediate level practical projects. You are expected to demonstrate cumulative levels of skill and knowledge through this series of units.
